EDUCATION

DELTA THESSALONIKI PTC

**IT MAJOR IN COMPUTER
ENGINEERING &
COMPUTER SYSTEMS
TECHNOLOGY**

- Programming
- Electronic Devices Engineering
- Digital & Analog Electronics
- Microprocessor architecture
- Electronic Device Failure Detection Methods
- Operating Systems
- Communications and Terminal Configurations

SKILLS

Application development using C# & VB
CMS management & administration:
Wordpress, Woocommerce
Technical and analytical skills on
problem solving
Interpersonal skills

INTERESTS

- Application & Network Security
- Penetration testing
- Script development

CERTIFICATIONS

- Google Cloud Infrastructure Modernization
- Cloud Computing Concepts – University of Illinois
- Network Security & Cryptography – Stanford University
